

## Stop Press : Vaccination Update – 27<sup>th</sup> January

- Wargrave practice vaccinated 600 patients on Saturday, 23 January.
- Total number of vaccines administered to Wargrave patients is now 2,000.
- Approx 10,000 vaccines have been given across Wokingham PCN (5 practices).
- Vaccine take up by Wargrave population is over 90% to date.
- Wargrave practice is currently in the middle of vaccinating Group 4 (70+ and clinically extremely vulnerable patients).
- Fire Brigade site now approved and hopefully will be up and running within a week.
- The team at Wargrave practice now awaits news of the next vaccine delivery in order to recommence Group 4.
